## About Us

We, Nakoda Textiles, as our name indicates, have been specialising in textile products since the year 1996. We keep up with cutting-edge trends as we craft the finest Rajasthani Turban Cloth, Cotton Lining Fabric, Polyester Terry Rubia Blouse Material, Dyed Roto Fabric, Khadi Fabric, etc. As a manufacturer and exporter, we meet needs of quality textiles from not just India but all over the world. In fact, we export almost 75% of our range overseas where small and big customers favor it for its quality, exclusivity and wear and tear resistance. Apart from fabrics, we also deal in Readymade Blouse, Wedding Turban and Ladies Petticoat- all crafted from the highest quality materials as per approved standards.

We have a track record of stocking only the best so that varying needs and styles of Indian and global customers can be met with excellence. Be it in our loose fabrics or readymade garments, we present an array of colors and designs so that customers manage to find exceptional quality, durability and versatility- all under a single roof. Besides, any query regarding our business, our products and our processes are readily answered by the customer service team we appoint. Our experts know how to resolve issues and add value to the experience of each of our customers.
